Individuals requesting an invoice and/or paying by check payment will only be able to pay in one payment. Membership dues paid in installment plans are still for a one year term. All memberships are for one year, regardless of membership type, installment, or one-time payment. *Exception: Basic Membership dues are only available by one payment due to the extremely low membership rate.

If your state association is interested in becoming affiliated with SSWAA or if you would like assistance in forming a State School Social Work organization, contact us for assistance. contactus@sswaa.org

Are my dues tax deductible?

SSWAA dues are not deductible as a charitable contribution for U.S. federal income tax purposes, but may be deductible as a professional business expense. SSWAA estimates that 85% of your membership dues will be permitted as a tax deduction and 15% of your dues are not deductible because of SSWAA's lobbying activities on behalf of its members.

How do I renew my membership?

When it is time for you to renew your SSWAA membership, you will receive a renewal email reminder notifying you of the due date and payment options. This email will be sent two weeks before your renewal due date. Once you are ready to renew your membership, you will click the link that will provided to you in the renewal email. Payment can be made with a credit card or request for an invoice. If no action is taken, an additional courtesy reminder will be sent 3 days before the renewal date. There will be a grace period of two weeks once the renewal date is reached. If no action is taken during the grace period, the membership will be dropped. An individual wishing to renew their membership will need to contact SSWAA to reinstate their membership.

Then, on the left hand side click “My information” and then at the top of that page select “Membership.” You can then click on your SSWAA Membership to see your membership history and current expiration date. If your email address or anything else has changed, see tutorial on How Do I Update My Profile With Changes? Need to make other changes, see additional tutorials.
